

# Working Together to Stay Healthy

Dear Honda Wellness Center Member,

We have been monitoring the evolving dynamics of the COVID-19 virus and listening to the advice of Federal, State, and Local government and health officials. Based on Governor DeWine's recent announcement, we will be **closing the Wellness Centers at 8 p.m. today (3/16/20) until further notice.**

The Wellness Centers will be offering some remote programming in order to continue to support your fitness and wellness journey while at home. Our team continues to be dedicated to supporting the health and wellbeing of all Honda associates as well as our Wellness Center members.

Due to the closure, all Wellness Center memberships will be extended for the duration of the facility closure. In addition, if you are interested in participating in our upcoming remote Fitness & Wellness programming, please send an email to [wellness\\_center@ham.honda.com](mailto:wellness_center@ham.honda.com). We are preparing to launch Wellbeats™, an on-demand fitness program for a limited time.

Thank you again for your patience surrounding the coronavirus (COVID-19) situation. Our highest priority is to ensure members are safe while supporting their health and wellbeing. Please know we are monitoring the situation closely and will provide updates as the situation evolves.

Stay Healthy,

The Honda Wellness Center Staff
